

Vicky Butler

Under 18 GB Dragon Boat First Aider.

My first experience of dragon boating was vicariously through my son, Dan Butler. He got into the Under 18 Great Britain Dragon Boating Squad for Poznan 2002 at his first attempt and then paddled for two years with the Under 18 Great Britain Dragon Boating Squad. My Daughter Mandy Butler followed on from Dan and got involved in the Under 18 Great Britain Dragon Boating Squad in 2003 and that was me hooked.

I spent two years paddling for Amathus Dragon Boat Club as well as getting involved with the management side of the Under 18 Great Britain Squad, this will be my seventh year as first aider and a responsible adult for the Under 18 GB Squad, in this time I have worked with three different management teams.

I cannot describe how it feels to be part of an amazing team, to experience what the whole team does. I have experienced the different squads winning a total of 21 medals in the time I have been involved and it has given me an enormous amount of pride, over the years.

I am proud to be involved again this year and expect great things of this Under 18 Great Britain Squad.
